

Dear Diane - well here it is almost graduation time - gosh the time has really gone by fast when you've been with me. You've always added the smile, the funny comment or complaint. ALWAYS even the most boring things have seemed to slip by so quickly. I thank you so much for all that this year has been my most hardest years for me in my inner conflicts. I've seen of myself I didn't like + I can truly and honestly say to you that this year has been my family problems and my friendship problems. Things I've changed a lot, I know you indirectly often helped me change them. I've changed a lot, I know you for a friend... One thing I think you've really helped me with is helping me show my appreciation and sympathy to others. But, words just cannot express exactly the way I feel - but, I know that you can read what I mean. Whatever happens this summer, next year, and in all of our awaiting years ahead for the both of us, I don't know... yet we know that you + me always have at least one friend in this cold, harsh world. No matter where you are, don't forget me as the surf never forgets the sandy beach it touches again... We have so much to look forward to, life is just beginning for us, and we are like puppies or kittens just opening up our eyes to see a new, bright world ahead of us. In you I have found fun, adventure, sympathy, honesty and a sincerity in life and yourself that is so precious. Life for us has opened up so dearly hope that you will remain my friend and we can keep in touch. This is really true, because you are one of my most dearest and most loved friends + and if I should ever lose you, then I am truly at a loss and on the downhill. Maybe something will happen in the future - one can always tell!!

THE REST OF YOUR LIFE!!

Love and Peace,  
Affectionately, me  
McIntock

Diane -

I hope you haven't lost your love of horses.

I try again! Even was really a bore, except for the 1st encounter. At least I had some good friends to talk to.

Well, I'll see you at Suzanne's wedding. I never did ask you where you were going to college but study hard and get straight A's. Don't forget to be rowdy and have fun!

Love,  
Sue Anderson

My dear Diane Dakan,

Albeit! We are finally out of this corrupt school. Now we can come back & knit it up. Really now, I am so sorry we didn't get to know each other better - because you ARE A GENUINE & BEAUTIFUL PERSON. I know we'll see each other soon!

Love,  
Loree Anderson

Diane -  
It has been a pleasure having you in even the club to partying. You were a real fan! Don't forget to be rowdy and have fun!

Diane

Let's have fun in English class. You're a sweet person.

Best of luck always  
Debbie  
you invited him to wedding

Diane -  
Well, we didn't make any tennis racket cakes this year. But it has been really fun knowing you. You are really sweet & I have loved knowing you. Luck always.  
Janie Supple

Diane,  
We have spent a lot of time together over the past couple of years. I didn't know how I could have stood coming to school if you hadn't been there to cheer me up. I know you'll do great next fall in college!

When the name that I write here  
Is dim on the page  
And the leaves of your yearbook  
Are yellow with age,  
Still think of me kindly  
And do not forget  
That wherever I am  
I remember you yet."

I won't be seeing you this summer. You'll be busy at camp. So right now I want to wish you all the luck in the world in the coming year. I hope your future is happy!

R.S. Thanks for all the fun!

Blaine,

I have so much to say that I don't

know where to begin. You know we hardly saw each other this year and it really makes me sad. What I mean was last year we were able to do so much more together like baking a birthday cake for Mr. Sue and going to Mr. Donald's. I really missed doing stuff like that with you this year but I am glad that our friendship survived despite that.

I'll never forget all the times running through the halls this year and running into you; that seemed to me that was all I saw of you. Also really too bad we didn't have a class together again. But despite all that we managed to get together now? then but not often enough.

Blaine I hope you don't mind me getting sentimental too I am, but I really think you are truly a beautiful person and I hope to see more of you when you get back from camp. Have fun and take care and don't forget to write, o.k.?

## Crucial times for education

Nine half-days, more teacher-parent conference days, extended research time—what does it all add up to? According to Superintendent of Schools Thomas Woods, a new development program.

Dr. Woods believes that during this crucial era of the public education system, the role of community and state efforts in school should be of concern to all.

The Board of Education carries out the laws of the state, establishes goals and procedures and offers guidance to the administration and teachers.

The key to a meaningful education is support by the community and effective administration.

AN ISSUE that meets with controversy also meets with Dr. Thomas Woods at a board meeting held at RHHS.

"OFF THE LINE," screams Brady Walker trying to unscramble calls. When Mr. Ferguson watches, Brady's job is more difficult.

## Principal begins open door policy

Keeping up with trends of education and accepting new ideas proved to be challenging to Principal Frank Ferguson.

This year the student-principal relationship became very important. The "open door" policy was an effort to communicate successfully with the students of RHHS.

Principal Ferguson has now completed his fifth year in this position. He feels he has established better lines of communication between students and the administration. His efforts, he feels, will enable RHHS to continue its role as a truly successful school.

Please sign in. Now, how did you break your toe? But why is your whole leg in a cast? Will three weeks of excused tardies for being on crutches be enough? Oh, and during P.E. please report to the library for a study period.

Shhhh. Look it up in the card catalog. Try the Dewey Decimal System. With 16,000 books and over 2,000 reference books in the library, you should be able to find something on your subject.

A job? Well, what are you interested in? Exploratory, vocational or general work experience? Do you enjoy working with people? Are you dependable and reliable? Do you want to observe a professional at work or earn money?

Flat tire, broken radiator, safety inspection, ran out of gas and slept late? Will you send this boy a call slip, please? Five tardies, four of them having to do with a car. And he rides a bike to school.

# Creative approach to an old problem

Thirteen math courses ranging from Algebra Prep to Calculus contained 1,661 students. One-half of these were boys, three-sevenths had long blond hair and five-ninths wore glasses. They were taught by 11 full-time teachers who enjoyed ping-pong and three part-time teachers who like spaghetti and meatballs. Class size varied from 15 to 37 pupils where some were taught the slide rule, some had a new Algebra I book and some slept the whole period.

Using the facts given, determine the number of students who bought grape bubble gum from a vending machine for a penny during the last six months. Keep in mind, this number equals one-fourth the rate of normal wind velocity multiplied by two-thirds the number of students who own one pair of blue Red Ball Jet tennis shoes in size four.

One o'clock a.m. Only seven more pages to go on the term paper, and only one more hour to work. Will you make it—use your typing skills.

Big lecture today. You take notes until they're coming out your ears. Oh! You remember—use your shorthand techniques.

Balancing your bank account. Oh good—25 dollars more than you thought. Oh no—only \$2.50 extra. A misplaced decimal—bookkeeping.

Filing. Hurry, go collect the absence cards before the busy hour is over—secretarial practice.

Working with people involves a lot. Office skills and techniques are helpful in landing a successful job or starting out on a career. Business practice can aid you in finding the way.

A changing world  
Events occur  
The present becomes the past.  
Social sciences study these concepts.  
This year a new approach was attempted:

We sought our answers ourselves  
instead of reading them in textbooks.

We saw special presentations  
using slides, tapes and music  
to relate the past to now.

We staged an election  
and campaigned for candidates.

We ate a Chinese meal,

All for one purpose—

## Senior Class

Nine months of something we've waited three years for;

Sneaked up and ran off.

The pressure tightens; to make it or break it.

College—Which one? A job—Where?

We can be released through our own expression; drawing a picture, writing a poem, playing jump rope on the amphitheater; sharing moments with each other.

Working and playing; together and alone—

A booth at the Homecoming Renaissance fair.

A vaudeville of talents in the senior production.

Ditch day, Grad night, and finally graduation.

And so we go forth into the world,  
living and forever learning.

Sad deserted shore  
Your fickle friends are leaving,  
Ah, but then you know  
It's time for them to go,  
But I will still be here,  
I have no thought of leaving,  
I do not count the time,  
Who knows where the time goes?  
Who knows where the time goes?

## Junior Class

Participation, planning, producing, having fun:

By joining in Homecoming to become  
an essential part of it.

Selling cotton candy in a rain-drenched booth.

Peddling concessions at a blustery football game.

To plan events we could all relate to somehow—

An ice-skating party as a means of interaction.

The responsibility of the Junior-Senior Prom.

To produce a concert among rival schools with cooperation.

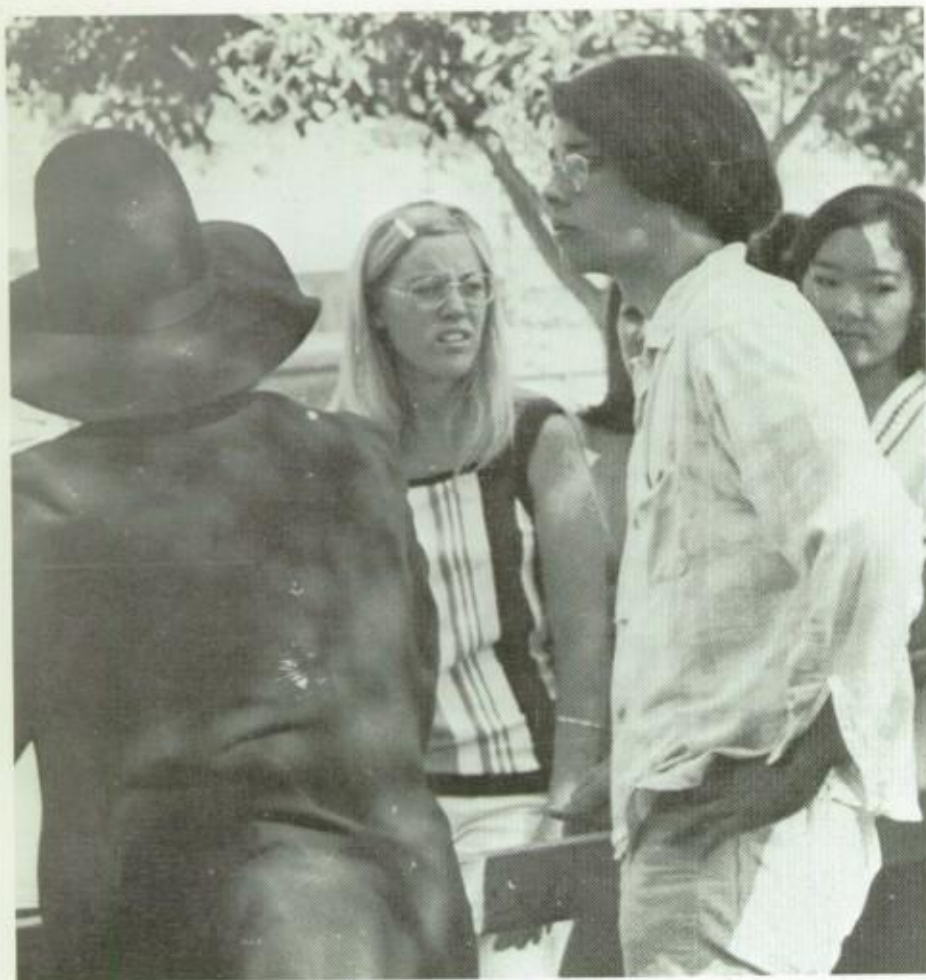

To create an atmosphere of happiness and good feelings.

To make the junior year something we can remember.

To Reminisce.

sixteen springs and sixteen summers gone now  
 cartwheels turn to car wheels through the town  
 and they tell him, take your time, it won't be long now  
 till you drag your feet to slow the circles down.  
 so the years spin by and now the boy is twenty  
 though his dreams have lost some grandeur coming true  
 there'll be new dreams, maybe better dreams, and plenty  
 before the last revolving year is through.

## Sophomore Class

After enduring a year of uncertainty, we were no longer the youngest. We left the novelty of being freshmen behind us, and took up the challenges of the years ahead of us.

Everyone got together trying to come up with creative ideas for the trash-can-bash. After portraying our talents we were ready for something else—a break full of food, fun and paint.

For the Renaissance Fair we decorated our booth which sponsored hot dogs, cokes, pickles and bubbles. Later we attended the rally and then cheered at the Big Game which left everyone with enough spirit to last through the entire Homecoming dance.

New ideas and a greater interest marked this year as an important one. But wait until next year. We've only just begun.

## Freshman Class

Junior high students once, but never again.

As freshmen

We contributed ideas to an unfamiliar format  
of government.

We added creativity as a new experience:

Painting the RH on the hill

Building booths for a rained on Homecoming

We sold home-made bread and caramel apples  
to add money to our young treasury.

Freshmen-

The first step towards higher education.

Next year...

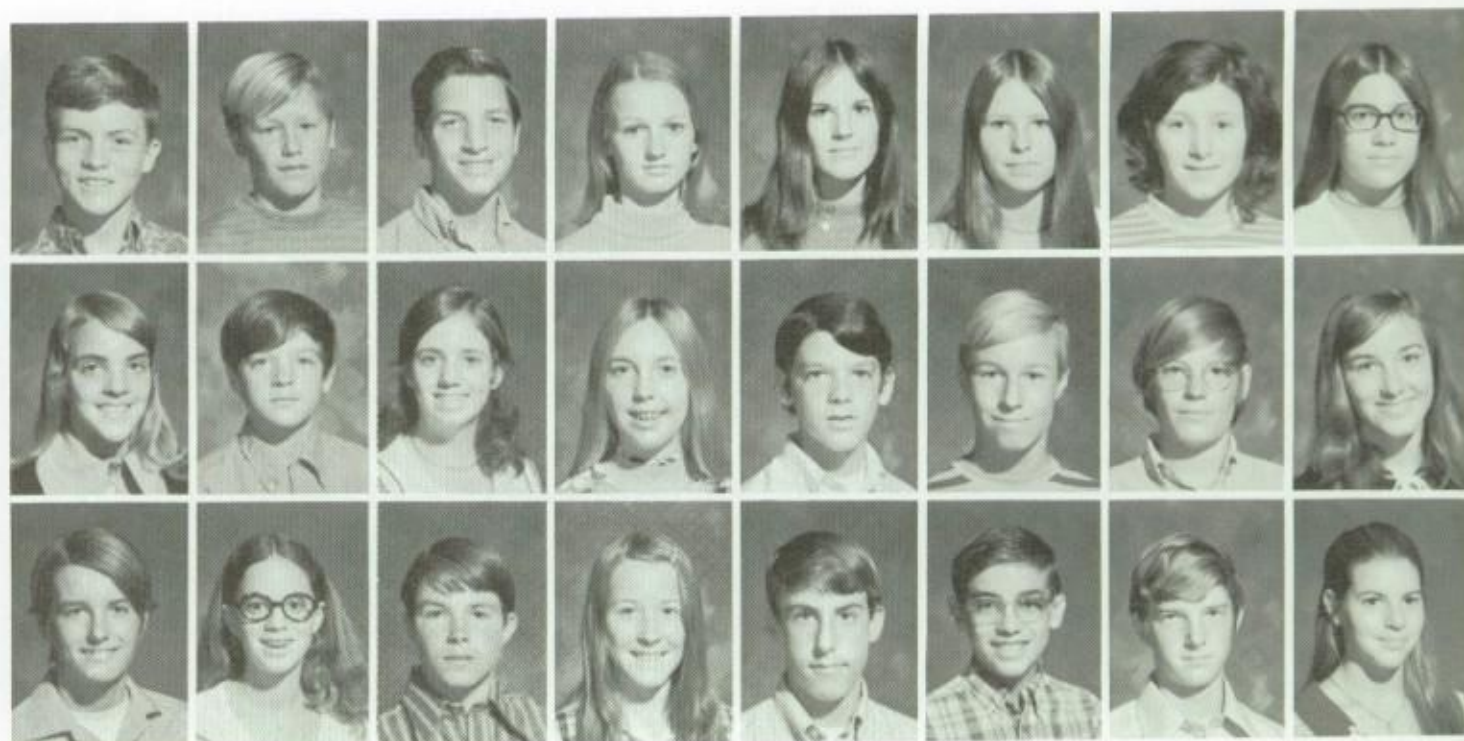

A step nearer to goals of college and careers.

How can you say something new about being alone?  
Tell someone you're a loner  
and right away they think you're lonely.

It's not the same thing, you know.

It's not wanting to put all your marbles in one pocket.  
It's caring enough not to care too much.

Mostly it's letting yourself come first for a while.

## Council efforts merit attention

Exhibiting leadership  
through parliamentary procedure,  
acquiring fresh ideas and approaches  
by attending CASC conferences and Leadership Camp.  
Discussions that lead to  
major improvement  
or failure.

Planning and producing  
one of the most successful  
and enlightening Homecomings ever.  
Congratulations all around.

Working as a team with the PTSA board  
to pass a bond issue for necessary school funds.  
Collecting money for a Korean orphan.

The achievements of our 1970-71 student government.

THOSE at the camp tried to mix their work with relaxation. Yet Toni Kimerer finds the break less than restful when she plays against card-sharks like Dave Ackert.

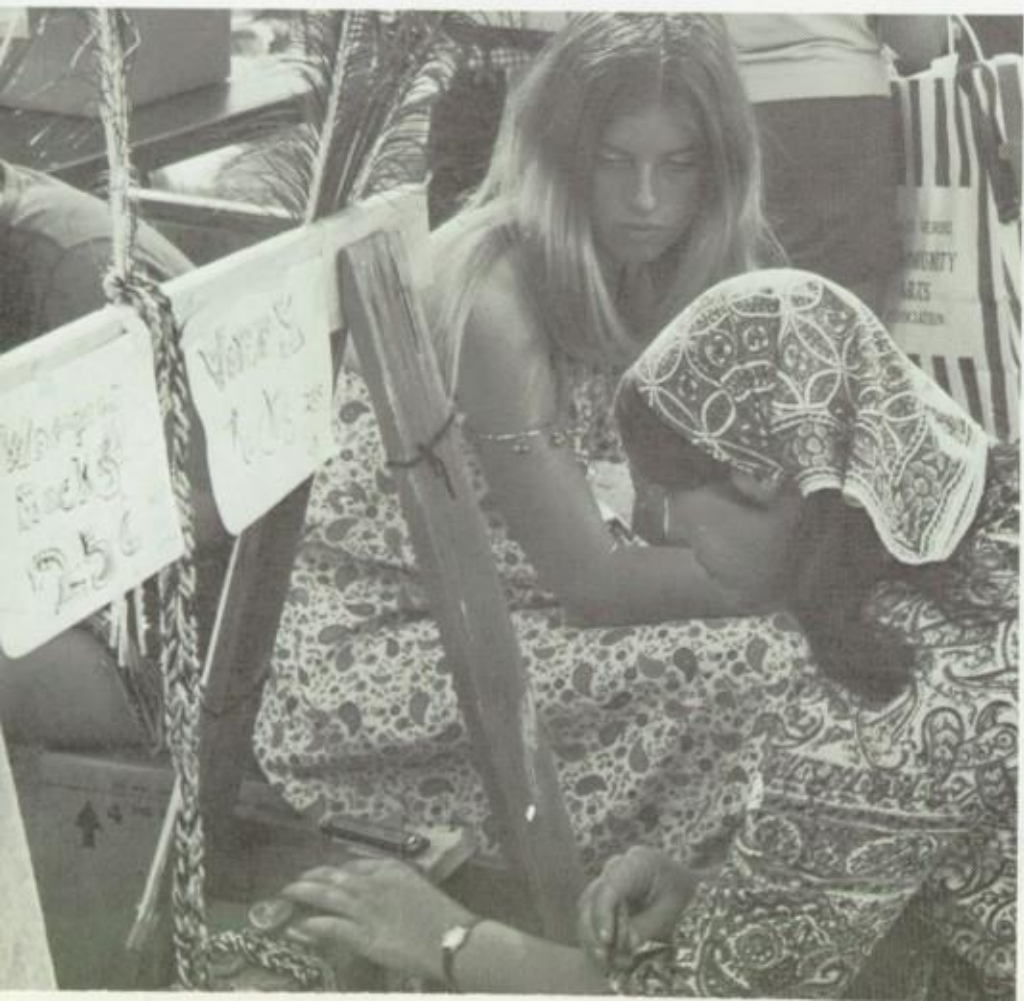

SNAPPING a quick picture with her new Brownie camera, Carole Hall captures memories of camp.

AMIDST other faire-goers, Ellen Moglewer seems totally entranced by the natural form of a ceramic mushroom she unearthed at the festival.

CAREFULLY EXAMINING a variety of painted worry rocks on display, a participant in Art for Fun (d)s Sake seems to be contemplating a purchase.

TWO PATRONS of the arts, Mike Sweazea and Greg Booth, study the method of construction used by the artist at Art for Fun(d)s Sake.

## Leaders, artists explore new ideas

Taking time to develop and strengthen the abilities, character and feelings of good leaders.

Giving back original insight through discussions and forums.

Learning to relax as well as stimulate individual creativity.

Leadership Camp is a personal giving, taking and learning experience.

Showing emotions through natural forms of art, for the purpose of helping others through life.

Encountering unique expressions which reflect a variety of life styles.

Art for Fun(d)s Sake unites those who have enough for the sake of others.

# Memories are made of this . . .

Homecoming:  
Stumbling over a beautiful  
thought,  
losing a shoelace,  
winning a football game.

Where are the old acquaintances,  
the college freshmen?  
Maybe they're stuck in the mud,  
it's raining you know.

Ohhh glorious wetness,  
shine all over me.  
Ohhh undampened spirit,  
shine all over me.  
I've spent all my money, but  
there's a smile in my soul,  
Ohhh brothers,  
shine all over me.

Hallelujah friends,  
I'm coming home.

"FLIP ME a flapjack fella," says a mysteriously elusive pair of hands. Hungry souls found their wants fulfilled at the Pancake breakfast during Homecoming week.

PEPPING UP the Rolling Hills—Culver City football rally, Nancy Riegle colors a victory cheer in spirit.

COULD THIS be a pitch for women's liberation? The tables were switched with boys being auctioned off for a change. After all, the girls have to have a chance to bid too.

DURING Homecoming week student group, Tinfish, proved that an ear-catching concert could mix music and meal for truly effective digestion.

AT THE HOMECOMING faire Friday, this thoroughly medieval booth sold delightful treats in three delicious flavors to all thirsty customers.

KEEPING her eye open for a possible customer, Kim Knudsen keeps an eye on her wares as well.

THE BAGELS booth was a positive boom at the Renaissance faire. The bagged treats were all robbed before the faire had really begun.

APPARENTLY very amused with the evening's activities, Diane Barash and Don Robinson laugh as they view the show.

## A truly faire finde at the royale affaire

LARRY WILLIS finds the Homecoming dance to be a good place to display his Elizabethan masquerade while enjoying the atmosphere with Elodie St. Geme.

THREE pretty princesses, sophomore Elodie St. Geme, junior Anne Leonard and freshman Joann Murphy smile during half-time at the Homecoming football game.

TOTALLY taken in with the delightful sounds of the evening, Dan Somers and Heidi Myers enjoy the entertainment.

# Murder and mystery mix in 'Macbeth'

A sordid contrivance of cold-blooded murder and piercing revenge, consumed in the clutches of mortal insanity and interwoven into the web of supernatural wonder.

Witches prophesize, cursing men's souls into oblivion.

The setting:  
the dark ignorance of the middle ages.

The event:  
Shakespeare's unique masterpiece "Macbeth," as interpreted by the student troupe of Mr. Birrell.

Those who found the blood of murderers on their souls:

Macbeth—Bruce Fischer

Lady Macbeth—Lisa Woods

LADY MACDUFF (Margret Baznik) and her daughter (Terry Wright) argue with Ross (Larry Fetters) about her husband's loyalty.

ANGRILY PLOTTING to take care of Macbeth, Menthieth (Doug Hellie), Siward (Steve Wathen, Malcom (Robert Costello) and MacDuff (John Zirpola) discuss their attack on Dunsinane.

INSTILLING FEAR in the souls of Macbeth (Bruce Fischer) and Banquo (Tyler Pedersen), three evil-hearted witches (Janet Fazio, Sabra Wright and Angela Pfund) foretell the future.

PORTER (Chris Rawson) springs up from his post to answer MacDuff's anxious knock after the death of King Duncan.

LADY MACBETH (Lisa Woods) pleads urgently to her husband (Bruce Fischer) for Duncan's death.

# Camelot captures true holiday spirit

A Winter's Night in Camelot;

... roses, silk, satin, velvet,  
... painted court scenes,  
... lighted shrubs and a bubbling fountain—  
all work together to create a romantic,  
yet medieval atmosphere.

A starry Christmas tree,  
laden with gifts for needy families,  
adds warmth to the occasion.

A kiss under the mistletoe  
yields enchantment to the already sentimental aura.

A surprise appearance by Merlin the Wizard  
brings a note of magical laughter into the evening.

Excitement generates as the music of Kentucky  
mesmerizes the crowd.

Suspense mounts as the coronation approaches  
and Janie Bozarth is crowned Key Club Queen.

A warm event on a winter's sable night.

ENVELOPED in an atmosphere of true elegance, Angela Pfund and David Lain seem especially light-hearted as they demonstrate an imaginative dancing step.

BEAMING with joy after being chosen the 1970 Key Club Queen, Janie Bozarth, with her princesses, receives loud applause and congratu-

lations at this year's Christmas dance. The Key Club interviewed each girl individually and then picked their queen.

# Arts and royalty: crowning success

With "Guys and Dolls," the PTA summer play, providing a dramatic start to the school year, an increasing monarchy develops.

Mr. Ugly,  
ugliest of all, is crowned and reigns  
over the campus as unfairest of all.

Soph Doll;  
A rose among thorns.  
Along with Mr. Ugly, it's a royal display  
of beauty and the beast.  
She reigns over all sophomores as fairest  
of all.

Girls' League King;  
What a first!  
His domain is just about everybody.

Is it possible that political complications  
could evolve among these  
ugly/lovely people?

ENTHUSIASTICALLY licking her lollipop wrapper and clutching her escort's arm, Laura Keller delights after being chosen Soph Doll of 1971.

SOFTLY strumming his guitar with the sounds of a real professional, Dave Tribble combines sincerity of music with true artistic invention for an exciting effect.

OUTFITTED in regal attire, Dan Gallegos, Mr. Ugly of 1970, perches in a bush for a quick victory smile.

MUGGING for a shot, Girls' League King candidates, Steve Nakamoto (sitting), Dave Cunningham, Dave

Dunckel, Fred Gedicks and Jerry Johnson, the winner, spread out in a truly royal manner before the big event.

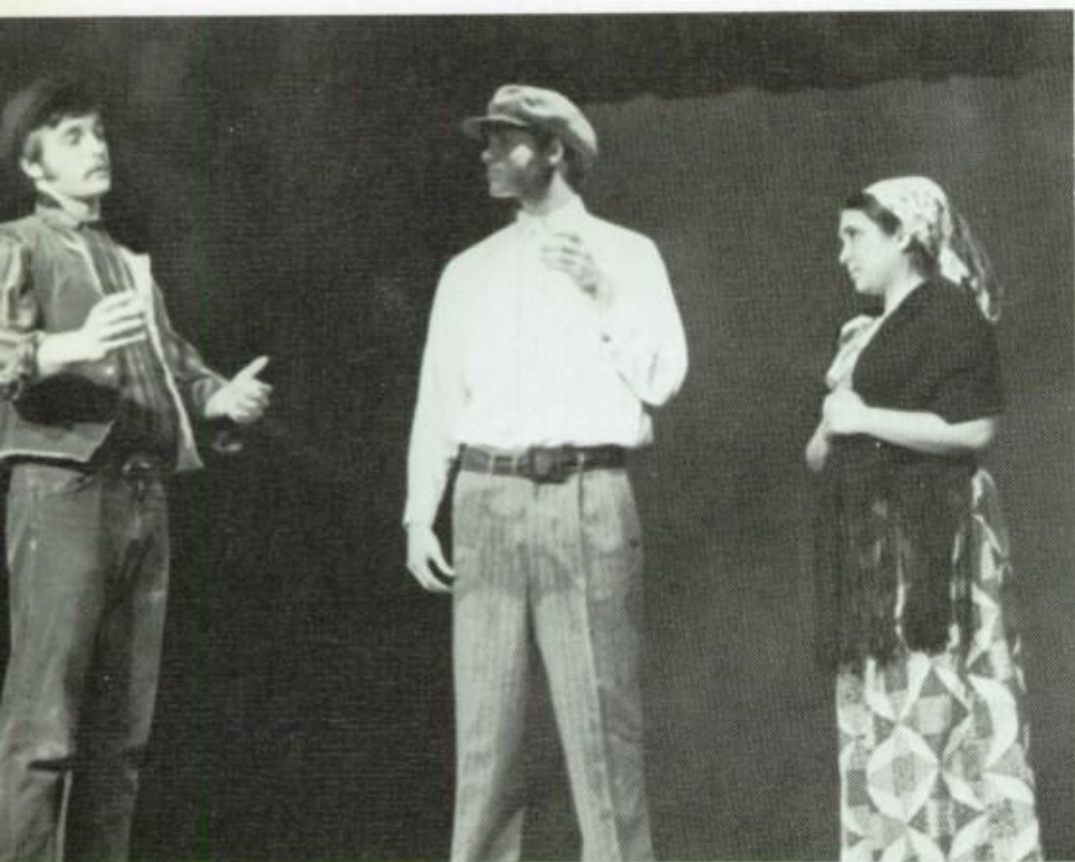

IN "GUYS and Dolls," RHHS student Lois Rosen and PVHS student Tom McGraw sway to the sophisticated sounds of the forties.

SWAYING her hips to the rhythm of the music, Laurie Kelley and partner Kirk Hawkins liven up a dance sequence in the PTA Summer Play, "Guys and Dolls."

TEVYE (Larry Fettes) patiently explains his predicament to an understanding rich man (Tyler Pedersen) and his mother (Barbara Fettman).

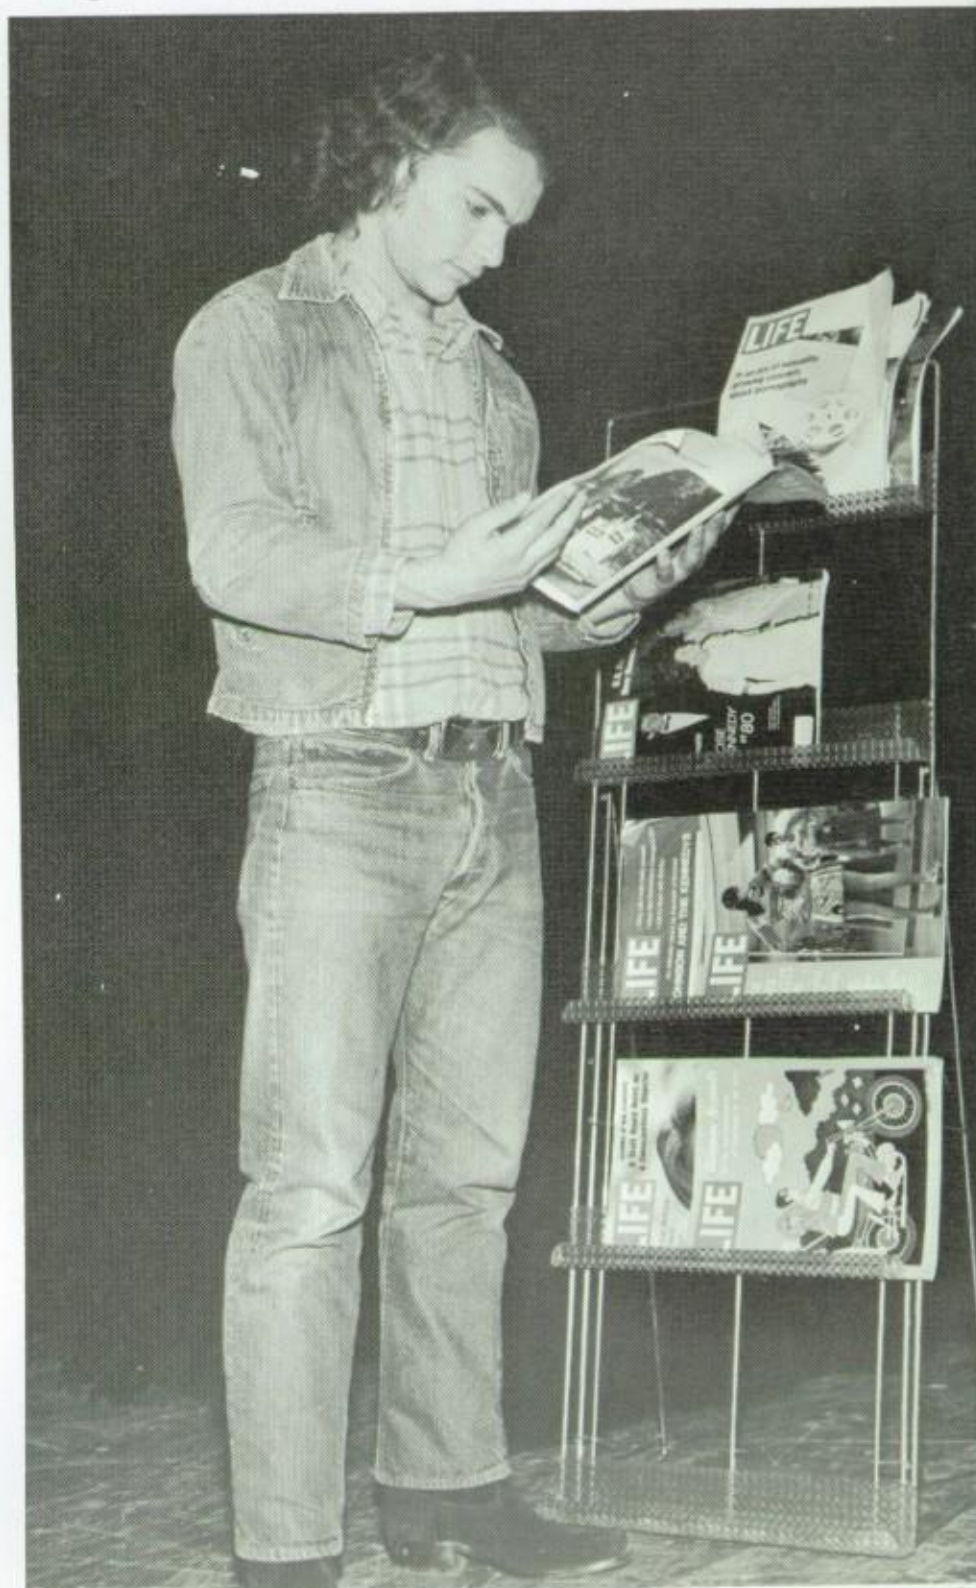

IN ONE OF many Choreo dances during the Fine Arts Festival, Diane Keller leads a masked and costumed trio in a show of creative expression.

RIBBIT! This piece of artwork at the Fine Arts Festival speaks for itself, if only a croak.

PHILOSOPHIZING, drunk (Wayne Schmidt) tells waitresses at a diner (Keefe Simcoe, Diane Keller) about life in "People in the Wind."

WAITING for dinner at a small town diner, a cowboy (Bruce Fischer) leafs through some magazines during a brief bus stop.

LITERALLY melting the audience with their melodic voices, the Madrigal singers perform on stage during the Fine Arts Festival.

The festival included participation varying from one-act plays and improvisations to art exhibits to Choreo dance numbers.

AT THE festival, Linda Trapp is attracted to an unusual piece of artwork. Art exhibits included the abstract and contemporary.

## Arts intermingle at fine festival

The Fine Arts Festival.

A creative extravaganza conveying the unity of free thought and expression through an exhibition of music, art displays, drama and Choreo dances.

Music—relaxation for the mind,  
peace for the soul.

Art—a kind of frozen music,  
subconscious perspective.

Drama—the art of abstract and significant  
ideas acted out creatively.

"People in the Wind."

"Tevye and the First Daughter."

Dance—portrayals of pleasure, sadness, anger  
and melancholy with body movement.

An intermingling of the Arts to strengthen  
person to person, person to idea relationships.

IN SEARCH of a moment of solitude, Choreo-  
dancer Cindy Quirk reaches out to her audience

and creates an atmosphere of extreme concen-  
tration in an enactment of "Search."

ROBERT COSTELLO and Janet Fazio portray "Old  
Friends" to Simon and Garfunkel's music.

LUANN MALSEED Madelaine Kelly seize an opportunity to build  
intensity as they dance in "The Sun Gets it on: Photosynthesis."

# Golden Girls glisten at Choreo Show

GETTING a kick out of their number, Diane Keller and other Choreodancers perform to the rapid rhythm of a fast-moving and intricately composed dance.

## The Golden Girls of 1971 " + ten"

Strobe lights flashing,  
music pulsating,  
bodies swaying.  
Flurries, grace, rhythm, color and gesture  
provide a constant pace of spirit and eloquence.  
Emotions enacted—  
fear, love, hate, joy, sorrow.  
Feelings depicted—  
sympathy, euphoria, friendship, envy, apathy.  
Gypsies, Superman, foxies, firemen, Earl Scheib  
and chorus girls: characters designed to create  
a sensation.  
Unusual and imaginative stage and sound effects—  
impressive and vivid scenery.  
Portrayals of self-expression and individuality.  
Response? Outstanding.

## The Golden Girls of 1971 " + ten"

CRYING OUT in anguish, Sabra Wright is encircled by a troupe of predators who seek revenge. Peter Hohn (center) supplies the evil force

which leads to the protagonist's eventual destruction in "The Momentum of Fear" presented during the spring Choreo show.

AT A "Bye, Bye Birdie" rehearsal. Choreo dancers go through the steps on stage to the musical number "I've Got A Lot Of Livin'

To Do." Rehearsals were practically every day after school, and several times performers were here until late at night.

ALBERT (Robert Costello) tells Momma (Barbara Fettman), Conrad (Greg Reznick) and Rosie (Sabra Wright) that he's going to sell the music company.

# Bubble gum, bobby sox invade RHHS

KIM'S FATHER (Doug Hellie) fumes, little brother (Jim Nichols) is amused and Mom (Sarah Foxman) smiles while Kim (Robin Gedicks) expresses her feelings for Hugo (Mike Gottlieb).

"Bye, Bye Birdie"

A musical apple pie in pursuit of dramatic achievement.

Fade in on a medley of bobby socks, saddle shoes, bubble gum, teeny boppers and rock 'n' roll.

A music writer creates instant success, girls swoon and Ed Sullivan snatches up the hip-swaying Birdie.

Fade out.

Let's rehearse that again. More guts in it please, and your last note is slightly flat.

Hello "Bye, Bye Birdie."

# Organizations

# Clubs serve community through concern

Service for people and the community are the main objectives of the Ecology Club, AFS, PTSA Board and the Student Curriculum Committee.

## Ecology Club....

Gardening, planting, growing.  
Providing for a course of action.  
Recycling, clean-ups and write-ins  
have furthered their cause.

## American Field Service....

International feelings of goodwill.  
A bar-b-cue, a Christmas dinner and a  
going-away party for the foreign  
exchange students are activities  
which accomplished their goals.

## PTSA Board....

Interaction between parents, teachers  
and students; helping the school and  
community in general.

## Student Curriculum Committee....

Suggesting new and different  
electives for the betterment of the  
school and thus the community.

DURING a monthly P.T.S.A. meeting, students, faculty and parents were invited to air their feelings on major school problems. Many were brought up, and solutions were discussed.

THE INITIATION of new members is the topic of discussion at a Key Club meeting. Dan Somers, Mike Kuss and Mike Risley sadistically ponder what they can do to the defenseless new members.

## Service: opportunity to show concern

Somehow . . .

the flag is raised every morning,  
refreshments are served at school teas,  
collections for the needy are organized.

This is the work of the various service groups on campus—  
Key Club, Girls' Service Club,  
Girls' League and the Honor Guard.

Their aim is to serve both the school and the community,  
doing unnoticed but necessary work.

At school . . .

ushering at assemblies,  
sponsoring dances, breakfasts and picnics,  
tutoring students,  
organizing school activities.

In the community . . .

sponsoring a "Y" group,  
collecting toys,  
helping at Art for Fun(d)'s Sake,  
increasing fire awareness.

Service offers an opportunity to explore our world—  
working with others for others.

To give aid is the first step toward  
understanding.

Learning about others as you help and work with them.

Service is a practical way to show your concern.

There will always be a need.

"ASK NOT what your school can do for you, but what you can do for your school," Aynne Aibinder reminds the Girls' Service Club. Their club served at dinners and contributed to many school events.

"IT'S TRUE you can buy love!" Girls' League President Wendy Hanson agrees as she explains sales procedure for singing valentines which were delivered on the Thursday before the holiday.

## Spirited groups help break monotony

The promotion of school spirit—a combination of "blue pride" pep tags and half-time shows. The advancement of athletics at RHHS—the inclusion of Donkey Basketball organization of the BAU, and a Queen's coronation. These are the activities of the Pep Club, Drill Team and Lettermen's Club. Improving the football field facilities kept the Pep Club busy with many fund raising projects. Award-winning representation in state-wide competitions and two performances in the Coliseum were a portion of the Drill Team's schedule. Athletes with letters from various sports—the Lettermen's Club, maintained a sense of school pride and spirit.

MEMBERS of the Pep Club receive candy suckers and pep tags and plan new ways of spending their future funds from sales. Members also displayed signs to promote team spirit.

# Spirit: backbone of bands

DRU McCABE—Majorette

Mighty musicians keep contemporary sounds alive . . .

The marching and pep band—a mixture of pulsating drum beats, harmonizing woodwinds and bellowing brass.

The dance and band accompaniment at school functions with subtle syncopation, rhythmic tempos and soft beats.

The orchestra's Christmas concert—the product of yuletide carols, festive and choral melodies.

The banner girls—displaying our school name on Titan shields as they march ahead of the band.

All a vital part of keeping the spirit.

"PRACTICE makes perfect," coaches Karen Stevens as she tries to inspire enthusiasm in the weary

orchestra. On a windy day they provide the whole school with music via air waves.

## A fortissimo spirit in choral groups

The director raises his hands,  
everything is quiet.  
All eyes rest upon him,  
and all pulses beat a little faster.

A burst of harmony fills the air.  
Loud, quiet, exuberant, moody—  
Quick or slow tempo  
but never silent.

These are the sounds of spirited singers  
who practice hard  
to present music to us.

Madrigals blended some of the best voices  
crescendoing and vibrating;  
Singing at other schools, clubs and RHHS.

Concert Choir took part in many programs  
with basses, tenors, altos and sopranos  
singing in the power of unity.

Advanced Girls' Ensemble harmonized  
in challenging tunes.

And Beginning Girls' Ensemble added  
a certain something to music.

The music department seldom complains  
but always makes its voice heard.

# Careers—involvement and development

HOSTESS CLUB

THESPIANS discuss plans for "People in the Wind," "Tevya and the First Daughter" and "Zoo Story," three plays acted at the Fine Arts Festival.

Thespians, Hostess Club, Medics Club and Future Teachers Club all have one thing in common. All try to promote understanding, involvement and development.

Thespians urge students to take an interest in understanding the theater. By getting involved in dramatic, musical and dance productions, the Thespians do their best to bring the theater closer to the student body.

The Hostess Club gets involved by serving refreshments at school activities and sampling food at foreign restaurants.

The blood mobile, visiting hospitals and museums and learning from guest speakers, were all a part of the Medics Club busy Year.

Future Teachers Club strives for the essential qualities of teaching.

All clubs look to the future.

# Language serves as key to ethnic understanding

Studying the purposes, customs, ethics and collective beliefs of a nation are the goals of the language clubs. Culture is communicated through making particular foods, having club outings and generally recreating the life-styles of different countries.

This cultural enrichment can lead to an understanding of life, or nowhere at all.

It's up to you.

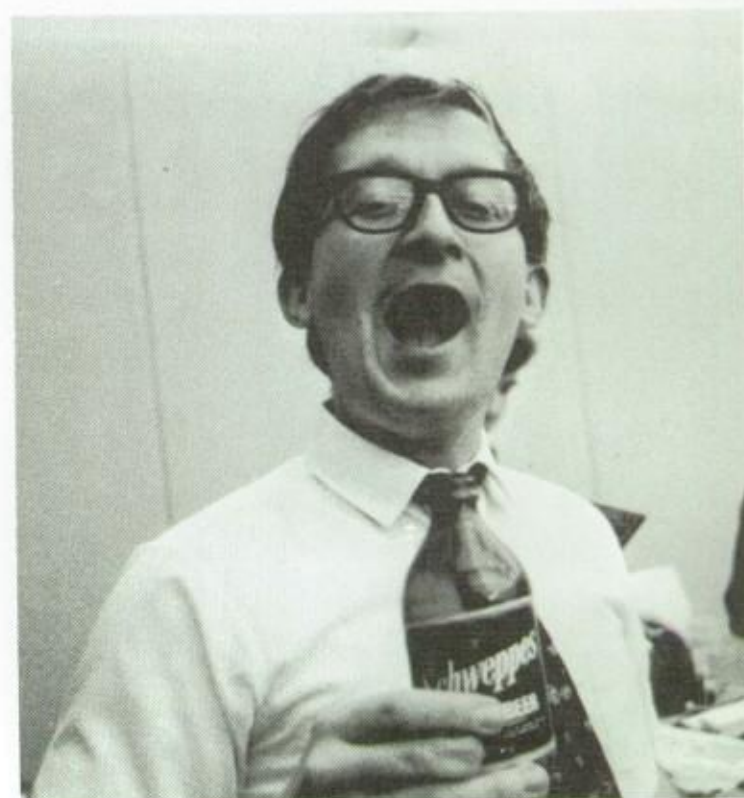

Culture is constantly speaking to today's people.

... Listening is understanding.

for a strike. The club meets regularly at the South Bay Bowling Alley for recreation and exercise.

#### Diving, fishing, bowling:

These new RHHS clubs,  
along with the Karate Club  
became a group called recreational sports.  
Besides offering physical fitness  
and good food,  
these clubs provided outlets for pent-up tensions.  
They afforded opportunities to  
discuss common interests  
with peers—  
And a place for beginners  
to consult the more  
experienced.  
Divers, fishermen, bowlers

## Football

In spite of the 24-20 loss to Palos Verdes and the 41-8 defeat by Edison, the Varsity football team completed another successful season this year, advancing for the third time to the C.I.F. quarter finals. Offensively scoring 232 points and losing only two out of eleven games, the Titans presented a fine team effort in many tight situations. Close decisions were won against Culver City (22-20) and Leuzinger (22-20).

Sky League honors were earned by Mark Ensminger, Dave Kraker, Rick Lessel, Doug Posey and Mike Witous, while Rick Lessel and Doug Posey were also awarded South Bay recognition. In addition, Doug earned a spot on the All-C.I.F. First Team.

The JV football team again posted an impressive record, winning eight games and losing only one. A total of 227 points were scored by the Titans, as opposed to 52 by their opponents. This record enabled the squad to win the Sky League championship with victories in every league game.

## League titles escape Frosh and Soph

The Sophomore team finished the season with a combined pre-league and league record of seven wins, one loss and one tie. Opening the league season with a tie against eventual co-champion Morningside, the Titans defeated Beverly Hills (34-7) and Aviation (34-0). But title hopes were eliminated with the loss to Torrance in the final play of the game. However, the squad completed the season with wins over Leuzinger, Culver City and Palos Verdes.

The Freshman football team also narrowly missed winning the league title, remaining a first place contender until the final games of the season. After earning five successive victories, the squad tied Leuzinger and league champ Culver City but lost to Palos Verdes and Torrance.

## Cross Country

Stepping up from last year's cellar spot, the Varsity cross country team edged Beverly Hills, Culver City and Leuzinger to earn fifth place in league standings. Outstanding newcomers, Mike Griesmer and Rick Negvesky joined veterans John Pinna, Scott Campbell, Jeff Gardner and Captain Jerry Johnson in posting a 3-win, 5-loss record in dual meet competition.

The remainder of the varsity spots were filled by successful performers in the JV races. Harriers Joe Cantanzarite, Dennis Nelson, Dave Scarpero and Don White were instrumental in leading the JV squad to its three victories.

The Frosh-Soph team, however, posted the best record of the three squads, as they finished in a three-way tie for first place with Torrance and Palos Verdes. Their only losses occurred in dual meet competitions against the Tartars and the Sea Kings, but the novice runners gained revenge by winning the league finals. Sophomore Rick Negvesky won the race, and Jeff Gardner took second.

## Water Polo

A fourth place finish and a 2-win, 3-loss record in league competition disguised the successes of the Varsity water polo team. The Aquamen's overall dual meet record was 7-4 with strong victories over Redondo (9-3), Leuzinger (10-5), Inglewood (10-5) and Morningside (20-8). In addition, the Titans finished sixth out of 16 teams at the Inglewood Invitational.

Captain Ken Austin led the Titan offense with a record-breaking eight goals in a single game and earned a berth on the All-Sky League First Team. Don Robinson recorded the most steals in one game, while Larry Willis was awarded a spot on the All-Sky League Second Team. Other varsity stand-outs were goalie Steve Brennecke, Dave Budde, Dale Dyer, Pat Graham, Mike Jones and Tim Murphy.

## Poloers land top standings

Using both strong offensive and defensive tactics, the Bees placed second in the Sky League race, finishing with a 4-win, 1-loss record. Captain Steve Hamlin led the team with the most goals per season and tied the record for most goals per game.

The Cees finished in a three-way tie for first place with a 4-1 record in league competition. Highlights of the season were a narrow win over Palos Verdes (7-6) and a disappointing loss to Beverly Hills (5-7). Bill Brashier led the offense with a record nine goals in one game.

## Wrestling

The 1970-71 season was a tremendous success for the wrestling team, as the Titans tied with Torrance for first place in Sky League. The squad qualified nine wrestlers for the CIF sectional match, taking first place in the Sky League Tournament.

This year's qualifiers were League Champions Alan Waters (123 lbs.) and George Marro (178 lbs.) along with John Phillips (98 lbs.), Jed Louvier (130 lbs.), Fred Gedicks (136 lbs.), Eric Peterson (148 lbs.), Randy Calvert (168 lbs.), Bruce Richardson (194 lbs.) and Mark Ensminger (hvy.). John Beyers qualified as an alternate in the 141-lb. weight class.

# Basketball

The 1970-71 season was one continuous battle for the Varsity basketball team. In the league opener, the Titans ripped Morningside (53-51) and continued league play with close wins over Beverly Hills (50-49) and Palos Verdes (44-42). Narrow defeats came at the hands of Aviation (50-51) and Morningside (55-56).

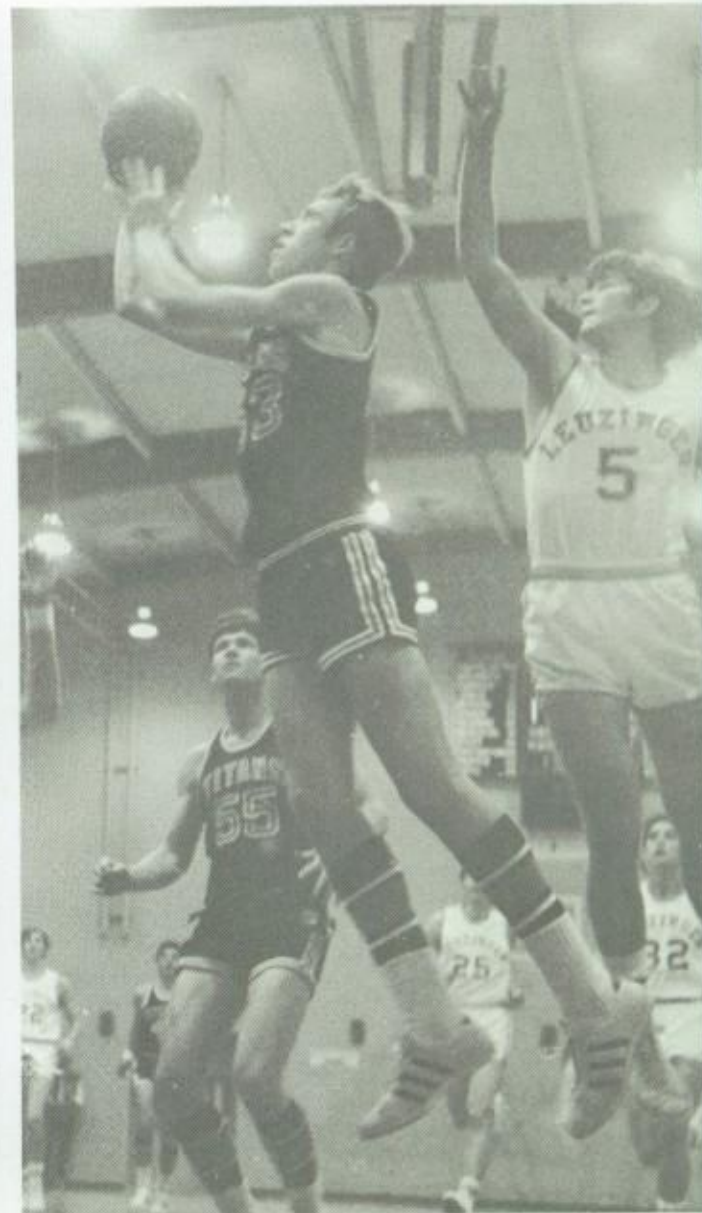

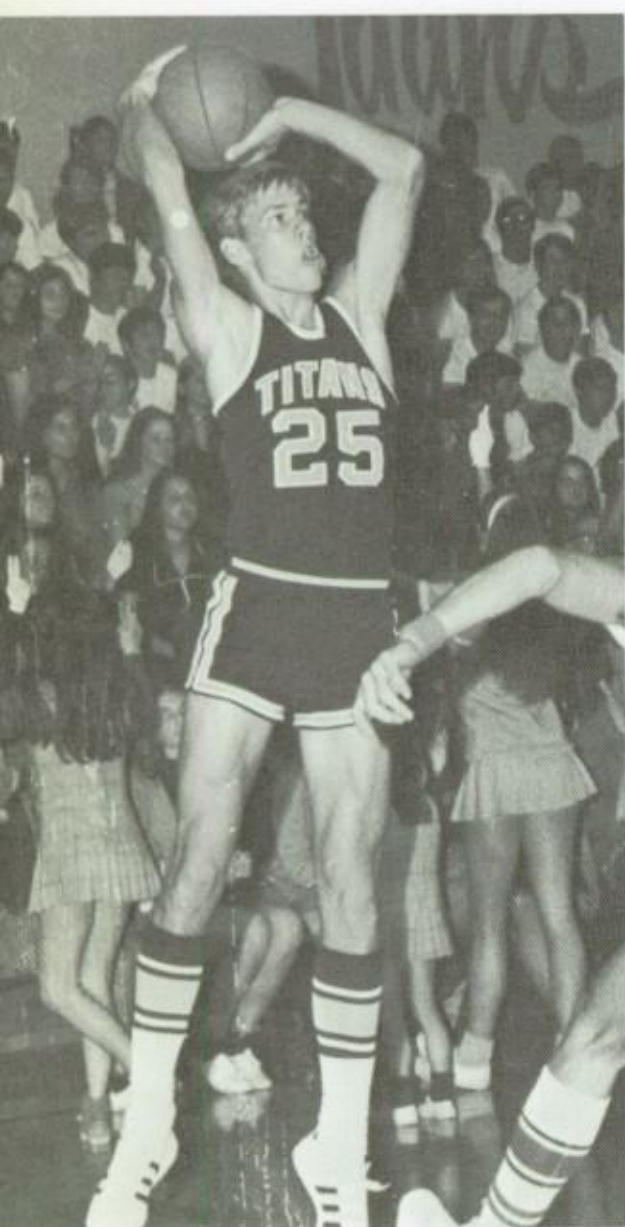

Finishing third in League with a 9-5 record, the squad advanced to CIF playoffs with Morningside and Torrance. Servite stopped the Titans in the second round of play-offs, but only after Rolling Hills defeated Troy (75-65) in overtime play.

Captain Steve Nakamoto received All-CIF recommendation while John Schaus was elected most valuable player of the team. Both were named to All-Sky League squads.

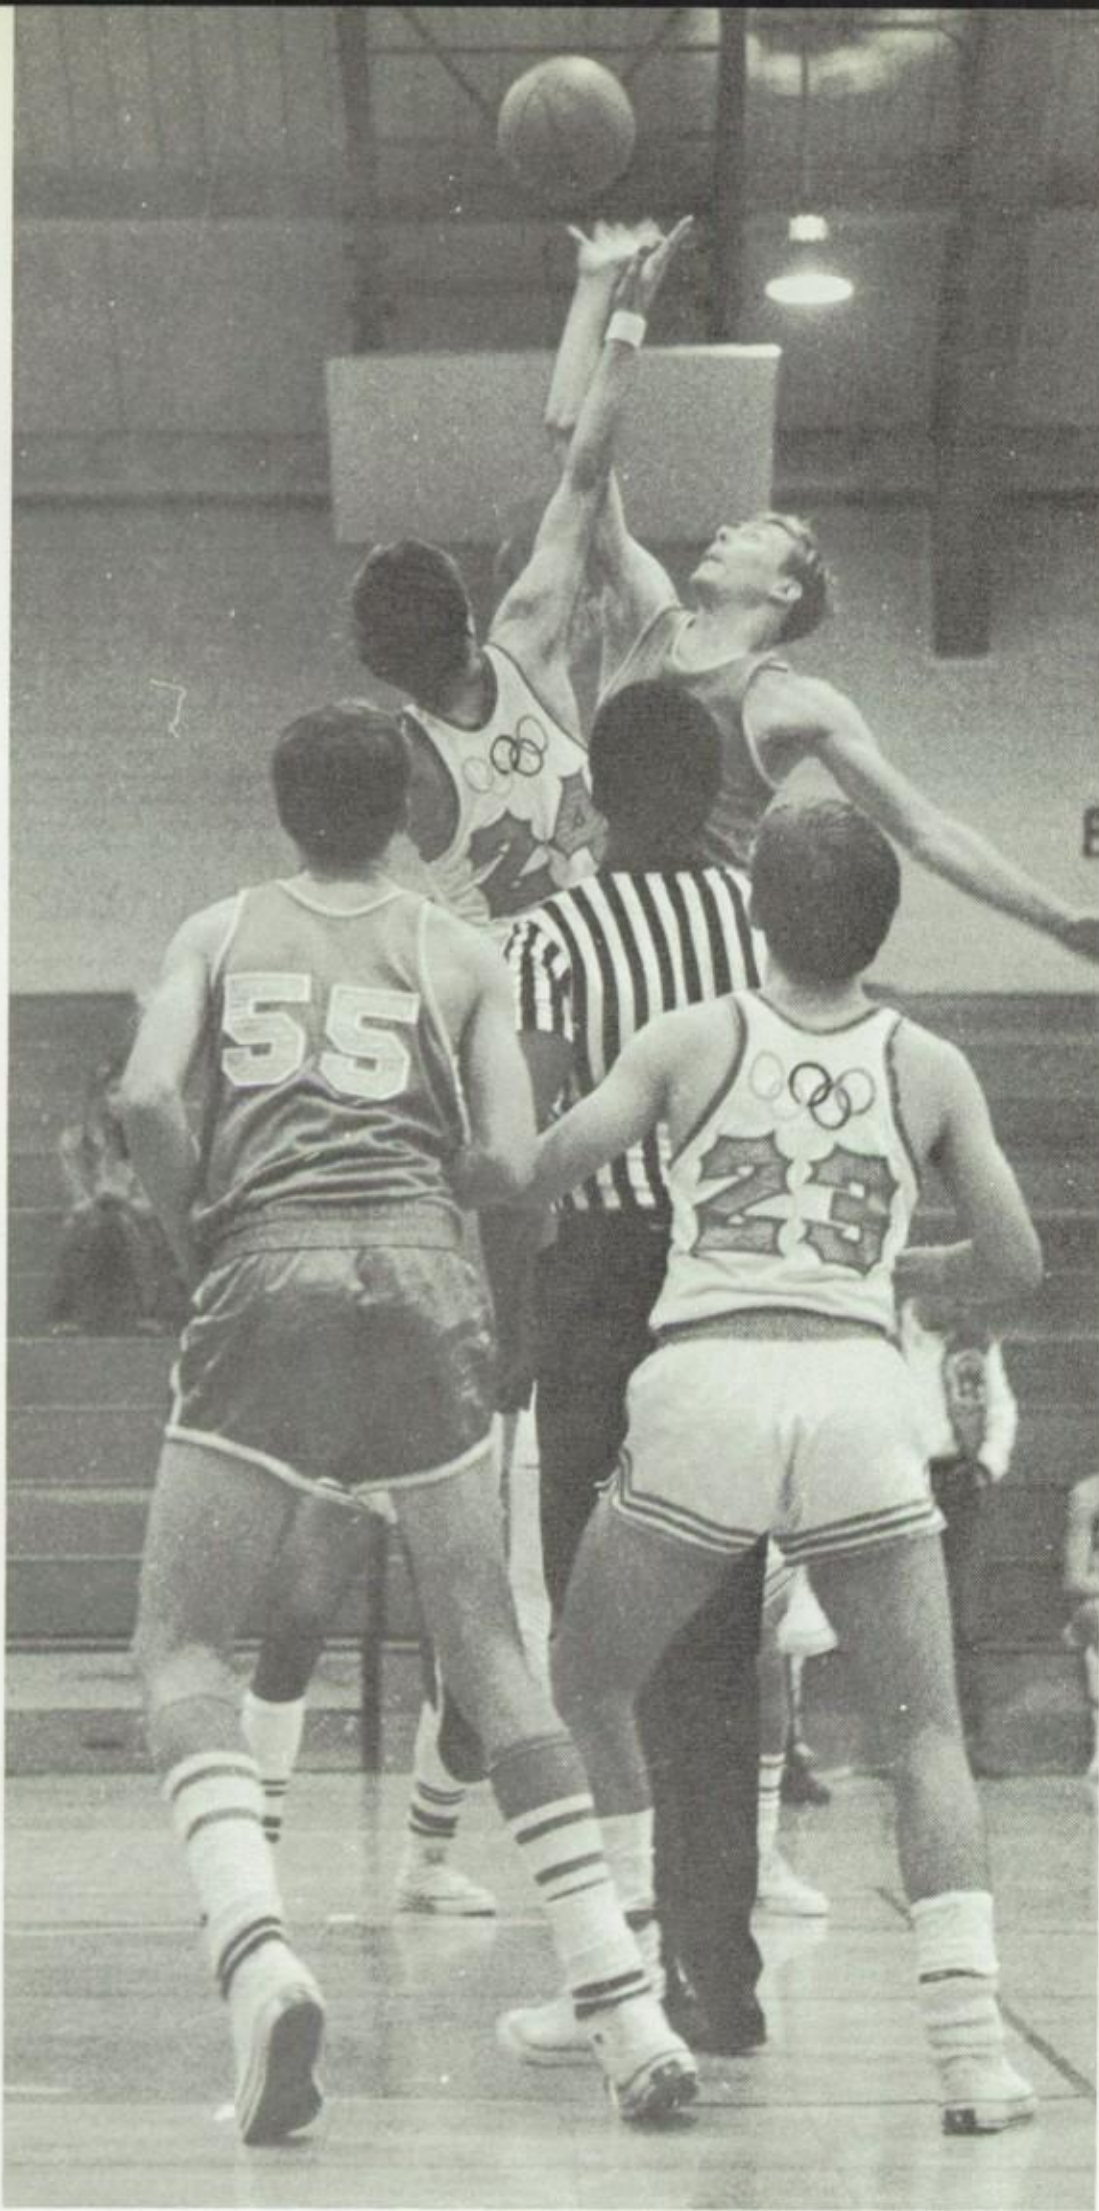

The JV squad finished league competition with a 7-7 record, earning fifth place in league standings. Top scorers Jack Spidell and Dana Ellison led the team to 12 victories, with help from Pat Sullivan and co-captains Tom Hawkins and Russ Keating. Dana was selected as an All-Tournament player at the Rolling Hills JV Tourney.

## Tennis

The Varsity tennis team faced unexpected competition this year, posting two losses in league to Beverly Hills. But victories over Palos Verdes put the squad in second place with a chance to compete in the C.I.F. playoffs.

Pre-league matches were played against powerhouses Newport Harbor and Santa Monica, and the close scores indicated that the Titans were in strong contention for the C.I.F. AAA championship.

## Baseball

With this year's Titan Varsity baseball team, the only predictable thing was that they would do the unpredictable. Coach Garry Poe's team did such things as bunt to score two runs and scout other teams, which few high school teams do.

They also won a few ballgames. Led by pitcher Dennis Emerson, catcher Phil LaFollette and second baseman Dennis Ullman, the team won the El Segundo Tournament by beating North Torrance, 1-0, on Emerson's one-hitter. RHHS then opened a successful Sky League season by beating Morningside and Beverly Hills by identical 6-2 scores.

The JV baseball team, coached by Mr. Bill Ryan, handily defeated Beverly Hills (8-3), Torrance (6-3), Culver City (3-0, 10-0) and Leuzinger (7-3) in league play. Narrow losses, however, were suffered at the hands of Morningside and Aviation. First baseman Mike Risley and pitcher Mike Onganato led the team in its winning season.

## Track and Field

The RHHS Track team enjoyed one of its finest seasons this year displaying many fine performances in the varsity division and many victories by the Bees and Cees. High scorers for the varsity were Jim Simon and co-captain John Pinna. Sophomore Jeff Gardner set a school record in the 2-mile, posting the first subten minute time for an RHHS athlete (9:59). But perhaps the highest point in the season was the meet against Leuzinger, in which the Varsity scored its first league victory and set two school records. Mike Griesmer lowered the 2-mile record to 9:57.5, and Ed Phippen cleared the high jump at 6'4¼".

After starting league competition with a loss to Morningside, the Bees succeeded in winning meets against Beverly Hills, Aviation, Torrance and Leuzinger. An outstanding member of the squad was Bob Gurrell, who set a school record in the 120 Low Hurdles at 13.9 seconds.

The Cee squad posted the best record of the teams, with an impressive victory over Morningside. Coach Latham predicted a league championship for the squad because of its talent and depth. Over fifty athletes make up the Cee division.

The swimming team had a successful start this season, breaking many school records. In the C.I.F. relays the Bees tied for second out of 91 schools, placing in four out of the seven relays they were entered in. They also won their division of the Peninsula Invitational, with first place finishes in the 200-yard freestyle (Hamlin), the 100-yard butterfly (Jones), the 100-yard freestyle (Murphy), the 400-yard freestyle (Jones), the 100-yard breaststroke (Murphy) and the freestyle relay. The Varsity placed sixth and the Cees fourth in the invitational.

In dual meet competition, all three squads posted wins over Leuzinger, Culver City, Aviation, Beverly Hills and Morningside. In addition, the Bees were victorious against Palos Verdes. The varsity division, in spite of Titan efforts by Dave Budde in the 100-yard breaststroke (1:04.7, new school record) and Tim Murphy in the 100-yard freestyle (50.9), succumbed with the Cees to PVHS, 36-59 and 37-40 respectively.

# Female activists raid athletic fields

Combining coordination with various skills, the Girls' Athletic teams broke records and provided the necessary enthusiasm for a successful season.

Rolling Hills Girls' Interscholastic Sports offered the Titanettes the opportunity to participate in Volleyball, tennis, swimming, basketball, softball, track and gymnastics. This has been the first year that gymnastics has been a part of interschool competition. With the use of free exercise, uneven parallel bars, vaulting box, balance beam and tumbling, the girls developed grace, flexibility and strength to create flowing and rhythmic movements.

Traveling to different schools, the girls met their toughest competition ever. All the teams made a genuine effort to prove that the GIS not only has talented sportswomen, but also able sponsors—Misses Ohrmund, Takii, Wierenga and Mrs. Hardesty.

## 2 a.m.: yearbook is full of crop

Hours fall into new hours and become the same.  
Now there's only one deadline left.

If we make it through this one then we'll get  
the book out on time.

That's why we're here.

That's why we worked harder than anyone who  
is not on the staff could ever imagine.

When I go to sleep at night I count characters  
instead of sheep. I read yearbooks instead of  
prayers.

In thirty years do you think we'll remember  
anything of what we went through this year?

Maybe dirty jokes at 12 a.m. but then we'll  
probably forget the punch line. Maybe the  
obscene phone calls from obscene photogs  
that weren't even obscene. Maybe we'll  
remember the writing on the wall (mostly on the  
editor's shelf). Maybe that the biggest sports  
deadline came before the season openers.

I can't find a proof sheet, the type book or  
even the layout and somewhere in my mind  
I'm still looking for the editor.

I think there are two things we'll remember.

The first is seeing this in 10 point News Gothic  
Bold type. The second is our advisor.

COPY Editor Aileen Johnson ponders hari-kari as she perpetrates another mistake on the faculty roster.

CLASS Section Editor Jeanne Matwick contemplates her measurements as another deadline approaches.

How far down do I write "Juniors" can I copyread through the carbon . . . hum, hum . . . What does it say, aren't you talking? OH MY GAWD! OH MY GAWD! Mrs. Grasinger look! I typed it backwards. Where's some more carbon paper? Oh crud!!!! You know this wouldn't have happened if the whole copy staff were here.

That's all except for vice-president goes back one.

comma, semi-colon, period.

Yeah. I like this "to produce a rival concert between schools." They didn't even do that, not that I know of.

That's fine . . . . . (a sigh and silence, can you believe it?)

"LET'S hurry because I'm tired and hungry," thinks Advisor Sandy Grasinger as Assistant Editor Kim Bloomfield worries about another deadline.

SUZI WEBER shuts her eyes to the tension of doing nothing while Alan Berris prepares to help.

ABSORBED in his work, DELPHIAN Sports Editor Tim Odell checks over a roster before he types it up. Tim's work also included obtaining good pictures and working on layouts.

COPY STAFF—FRONT ROW: Karen Stewart, Lorna Meriman, Karen Van Deloo, Connie Wright, Leslie Brown, Margaret DeLao, Crusher Christopher, Louanne Asch, Cathy Markowitz, Kim Bloomfield, Susan Dozier. ROW 2: Bill Cinnamon, Sue McSparron, Jan Ruehlmann, Jeri

Kronick, Ellen Jacoby, Mike Seibert, Nancy Sutherland. ROW 3: Jeff Cameron, Alan Berris, Jeanne Matwick, Tim Odell, Suzi Weber, Aileen Johnson, Mrs. Sandy Grasinger, Debbie Robins.

## A Hollywood Happening—Oscar Time at RH

By LOIS ROSEN  
TITAN Staff Writer

Truth is usually too painful for most of us. It is much easier to look back and see what should have been rather than what was.

High School should have been Judy Garland and Mickey Rooney. It should have been saddle shoes and coke parties and one constant smile. Life's highlights should have been limited to *the* big dance and *the* right (boy/girl)—choose one.

One is taught as a child that nothing is totally evil. Everyone, even the bad guys on T.V. had good points. Even though Robin Hood was a crook, he gave to the right people.

So, I am not going to come right out and downgrade the four years I have

spent here. Among the memories of constant rushing, cramming, insomnia, headaches and swimming in Febr-

uary, I see faces of close friends and a few teachers who did not think they were Stalin. And the enjoyable, nail-biting tension of a close basketball game. I won't say that it was total hell for four years—perhaps just partial.

As I am receiving the traditional high school Oscar-diploma—I would like to say my thanks to the right people.

First, I thank all the teachers who so thoughtfully assigned me thousands of pages to read in outdated texts and tested me on my thorough memorization. If nothing else, high school has developed my memorizing capacity beyond belief.

Next I would like to offer

my thanks to the graduation requirements for forcing me to take classes in which I had no interest.

I am also deeply grateful to the students who made RH one of the biggest trash dumps on the peninsula.

Thank you.

And now that we've all

seen the movie and it's ceremony time and I have made the proverbial speech which was much too long and unnecessary, we can turn off our T.V. sets and go home. Tell all your friends not to worry if they missed it. It will be on for a long time to come.

...ASB Vice-President

# First Female ASB President

Rolling Hills has a big first on it's hands, not in stature but in status. For the first time in the history of any of the local schools a girl will reside as president of the student body.

The newly elected ASB President, Nancy Skinner, sees new responsibilities the job will hold for her. She is the girl who must set the precedent for any future feminine leaders and Nancy's efforts and achievements will be watched, judged and criticized by students, faculty, administration and community alike.

George Addington has been elected next year's ASB Vice-president. The new second-in-command is the only boy in the executive council.

Two ideas to rid council of the communication problem is a home-room to be held once a week and a communications committee.

The ASB Secretarial post will be filled by Donna Distable. Next year's Treasurer is Laurie Quick, and Cindy Simpson has been elected Club's Council President.

Also on the list of new ideas is a tri-school student union to act on issues and encourage those students who are eighteen to exercise their right to vote.

## Class Presidents

Jack Kolk will lead the Class of '72 through their last year; the Junior Class President, who is already planning for next year's prom and hopes to have fewer money-making activities and more relevant things done is Greg Reznick.

Paige Lewis's main goal is to encourage more class participation by holding activities that will interest more students.

# Feminists Dominate Publications Staffs

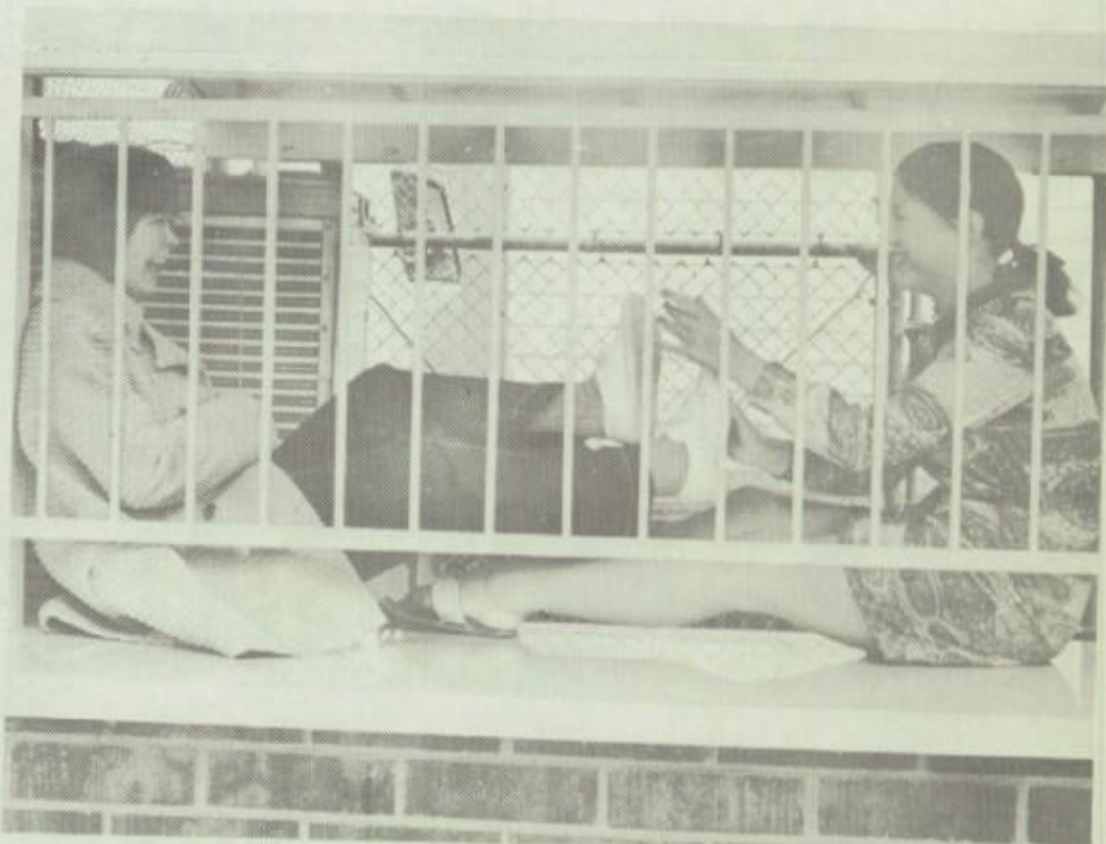

It seems that girls will be dominating both publications staffs next year, as every editor, with the exception of sports, is filled by a female.

Susie Vatz is the new DELPHIAN Editor-in-Chief. She has had two years of experience on the staff, and was this year's Faculty Section Editor.

Joyce Shimizu is the Managing Editor, Jan Ruehlmann is the Copy Editor, and the Assistant Editors are Sue Christensen and Marcia Trattner. Kathy Lamont will be the new Business Manager and Ray DeBiase, Head Photographer.

Candy Kaelin will be the TITAN Editor-in-Chief and Cindy Brown will be Managing Editor. Candy has had two and a half years experience and served this year as Editor-in-Chief. Cindy, currently the Editorial Editor, has been a staffer for two years.

Other new TITAN editors are Laurie Quick, Editorial Editor; Polly Harvey and Kathy Wolf, Co-Feature Editors; Barbara Weinstein, News Editor; and Andy Ludlum, Sports Editor. Debbi DeVere and Sue Stassin will be Co-Business Managers.

**JAILBIRDS**— Behind the bars are the new publications editors for the year 1971-72. They are Candy Kaelin, TITAN Editor-in-Chief and Susie Vatz, DELPHIAN Editor-in-Chief.

**SENIOR TALENT?**— Undulating roller skates, syncopating surfers and ever-loving singers of gay ballads kept the 1971 Senior Production palpitating with fantastic feats of ter-sicore, vocalizing and dramatic expression in the Barnaby Brothers Comical Revue.

The multi-faceted expose of the deep-rooted wit, humor, and skill belonging to the Class of '71 also included risqué "leggy" scenes, romantic nostalgia, and lovely fairies smashing the Sugar Plum Dance.

**QUARRELSOME QUAD**— While Rosie (far right) explains her master-minded "Birdie" plot to Albert, he busily ponders the possible rhymes with "kiss" and begins composing the soon-to-be fabulous hit, "One Last Kiss."

Meanwhile, after news of Hugo (Mike Gottlieb) and Kim leaks out (below) in a Sweet Apple telephone hour (which proved to be a show stopper), the peeved boyfriend (right) lays down the law when he discovers Kim's plans to kiss Conrad.

# 'Birdie' Sets New Drama Standard For Future RH Stage Shows

By **LOIS ROSEN**  
TITAN Staff Writer

Having gone through the proverbial "worst of times" for too long, the RH drama department seems to be embarking on a new era which began with the recent production of "Bye Bye Birdie."

"Birdie" was an excellent choice for a high school production. The situations and characters are easily related to by high school actors, and the emotions and actions of the cast were extremely realistic because of this.

Heading one of the strongest casts ever at RH were Robert Costello, as the appropriately wishy-washy Albert Peterson, and Sabra Wright as impatient Rose Alvarez, Albert's long suffering fiancée. Robert and Sabra played off each other and the rest of the cast extremely well and maintained perfect characterization on stage.

Barbara Fettman was often a little too shrewish as Mrs. Peterson, but at the same time very funny. Our feet hurt as she complained of her long walks in order to save taxi fare for her son.

Robin Gedicks was adequate as Kim, perhaps a little better in the acting than in the vocal department. Sarah Foxman (Mrs. MacAfee) was the typical mother of a teenage daughter.

However, the hit of the show was Doug Hellie as Mr. MacAfee. Our hearts went out to him, yet we could not help laughing at his frustration at losing his daughter to a screaming animal (Birdie). When he questioned "What's wrong with Sammy Kaye?" in the Kids number, his dis-

tress was so great that one could feel the ulcer growing within him.

Greg Reznick (Birdie) utilized a unique vocal style which was appropriate for his character. However, he sometimes seemed a bit too tense during other scenes.

The teen chorus, under the direction of Mr. Allan Freeman, was tremendous in both size and vocal ability. Mrs. Walker's choreography was excellent and the "100 Ways Ballet" was a show stopper.

Amidst all this excellence, there were some slight pitfalls in the technical department. The front curtain had been removed and in its place was an array of transparent strips of material. This enabled the audience to see all of the scene changes, and often proved distracting as sets moved back and forth while a scene was in progress.

Another problem was encountered with some extremely long scene changes, during which the audience tended to get a bit restless. The long pauses between scenes during which one stared at the curtain added a note of disjointedness to an otherwise fast-paced and smoothly run show.

A word of congratulations is also due to whomever decided to place the orchestra on the stage behind the sets. This enabled the actors as well as the instruments to be heard with great ease. Musically, the orchestra started out lagging but as the show progressed they appeared to catch the spirit of the thing.

All in all, "Birdie" was one of the most exciting and successful shows ever staged at RH, and we can only hope that future productions will live up to the standards that it has set.

**SWEET APPLE SWOONERS**—Hardly able to contain themselves (left) at the sight of Conrad Birdie (Greg Reznick) are the Sweet Apple Teens, swooning over their favorite sex symbol in "Bye Bye Birdie", this year's Spring Musical.

"You've Gotta be Sincere", Conrad croons as the girls strain to touch just a tassel on his shirt. His bodyguards (Bruce Fischer and Mike Liberti) struggle to keep Conrad intact as girls and even the mayor's wife (Margaret Baznick) faint by the dozens.

It all started when the recently-drafted Birdie stops off in Sweet Apple to give one last kiss to the lucky fan who won a last minute lottery. The plan was devised by Albert's (Robert Costello) long time fiancée, Rose (Sabra Wright) to provide Albert with enough money to dissolve AlmaelouRecords and become an English teacher - oh, and also, to marry Rose.

**MAMA'S BOY**— Suddenly appearing on the scene in Sweet Apple (left), Mae Peterson (Barbara Fettman) tries to convince her son, Albert, not to marry that Spanish girl, Rose.

"Think of the religious difference", she implores, as Albert simply replies, "But... But..." and Rose makes a slightly more verbal reply.

Rose had to do alot of pushing to get the wishy-washy Albert to say goodbye to Mama, but love finally triumphed in the end.

Not all the Sweet Apple Teens were ecstatic to see Conrad (right) and Albert had a lot of cheering up to do for two "Sad Girls" (Carole Hall, Debbie Gray), who were afraid that they would be too old for Birdie when he got out of the army, in a dance number that proved to be just one of the show's high points.

**ARE YOU SURE?**— Ursula (Donna Buell) asks Kim (Robin Gedicks) if she's absolutely sure that she wants to give up being a Birdie fan (left) just because she's going steady. Donna Buell's portrayal of the zany Ursula was one of the best in "Birdie".

The town of Sweet Apple welcomes Birdie(far left) in a gala reception at the railroad depot. Cheerleaders, reporters, fans and flag wavers fill the platform as they sing a tribute to Conrad. He, however, being the superstar that he is, is not too thrilled with it all.

## Dennis Ullmann: Two n's, Please

For two years, it seemed that everyone was spelling Dennis Ullmann's name with only one 'n'. Since Ullmann is not exactly the world's logical successor to Goliath (5-8, 160), it's quite possible that the reason for the misspelling was that he was being overlooked.

This excuse no longer exists. Ullmann has been named 1970-71 Rolling Hills Athlete-of-the-Year by the RH coaches.

### Arizona State

Ullmann, who was nominated from baseball and will attend Arizona State in the fall, also played two years of Varsity football. He scored six touchdowns and threw two TD passes.

One of those passes, a five-yarder to Eric Peterson, was the winning score in RH's 12-6 win over Miraleste.

In baseball, Ullmann played three years on Varsity and this season made the conversion from outfield to second base. He hit .369 and was an all-Sky League selection.

### Clutch Player

Ullmann was an excellent clutch player for the Titans. Against PV, he knocked the ball loose from second baseman to keep alive what was to be a four-run rally in the seventh which gave RH a "must win" 4-3 victory. Against Aviation in another "must win" situation, he came through with two triples in a 7-4 RH victory.

### Ten Nominees

Ullmann was one of ten nominees for Athlete-of-the-Year. His competition consisted of seniors Ken Austin (water polo), Chris Beckett (tennis), Jerry Johnson (cross country), David Kraker (football), John Pinna (track) and John Schaus (basketball) and juniors Mark Ensminger (wrestling), Rick Green (golf) and Tim Murphy (swimming).

## RH Road Trip: It's Rated 'X'

By JOEL KONOPKEN  
TITAN Staff Writer

What could be better than a bus ride out to Whittier for a baseball game? Everything up to and including a kick in the you-know-where, you say? Not so.

Our story actually begins a few days before, as Coach Garry Poe tells the team that the cheerleaders would not be allowed on the team bus. Perhaps he still remembers when the tennis team smuggled girls on the bus with his JV team a few years back.

If there's pressure involved in the playoffs, the managers aren't feeling it. They seem more intent on playing a card game called Pit than on getting the equipment ready. Pitiful, isn't it?

One of the players asked if they would have to wear their warm-ups. "Yes, sir," said Coach Poe, "Just like any other victory."

In the ninth, Rick Hilliard's squeeze bunt scored LaFollette to give RH a 1-0 lead. The Titans leave Whittier, but not before Harlan Lebo has decorated the dugout with some interesting graffiti.

In the back of the bus coming home, the players are telling jokes and playing "Peeping Tom". The funniest part is how the "prey" pretends not to notice.

Coach Poe often appears to think very little of his opponents. Once he tried to stop me from writing in PV News that the team scored runs on a squeeze bunt. "Just don't use the word squeeze. If you just say that we scored on a bunt, they (PV) won't know the difference! That is because they're PV!"

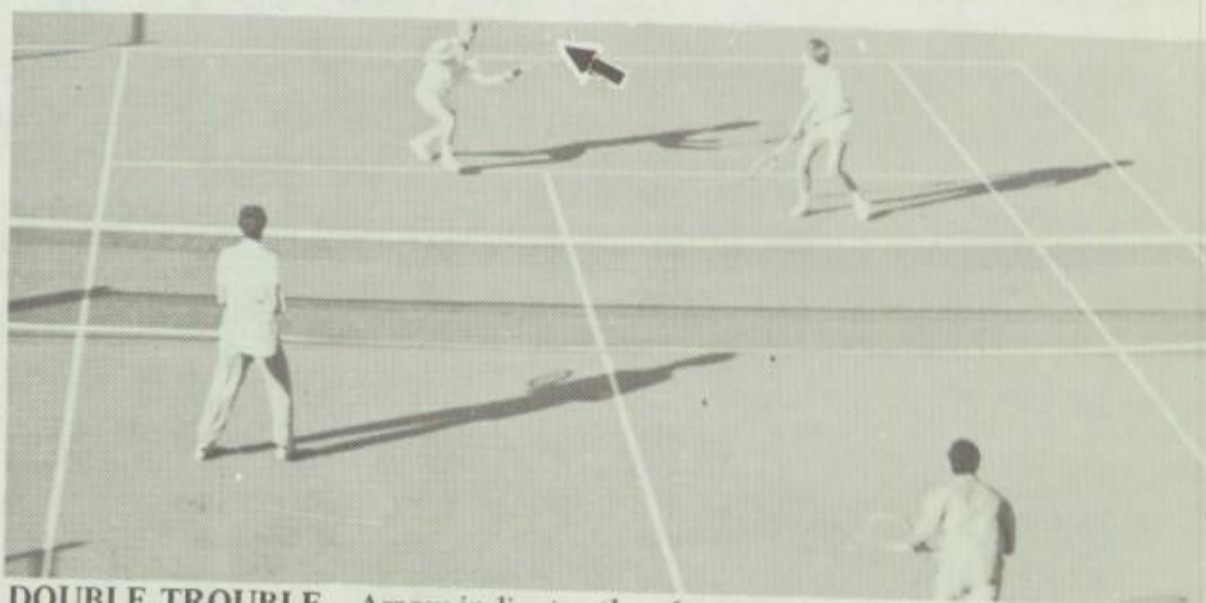

Oh.

# Titans Close With CIF Loss

RH's 1971 baseball season ended on May 21 with a 3-2 loss to Anaheim in the second round of the CIF playoffs. This marked the fifth time in the last three years an RH team (baseball, football, and basketball) has lost to an Orange County school in the playoffs.

The Titans earned the playoff spot by finishing third in Sky League with a 9-4-1 record, a game and a half behind Palos Verdes and Torrance. In the first round of the playoffs RH defeated Whittier, 1-0, on Rick Hilliards' ninth inning bunt single and Dennis Emerson's seven-hit, shut-out pitching.

Four Titans were named to the All-Sky League team. They are catcher Phil LaFollette (.318 league average), second baseman Dennis Ullmann (.369), center fielder Steve Abdo (.357) and Emerson (five wins, one loss).

**DOUBLE TROUBLE**— Arrow indicates the object of attention during a doubles match at Rolling Hills. Titan netters went into CIF for the fifth time in seven years but were eliminated in the first round.

## Gym Team Undefeated

The Rolling Hills Girls' Gymnastics team tumbled past all six opponents, going undefeated in league. Carole Hall and Debbie Gray were chosen most outstanding gymnasts.

The track team finished with a 3-3 record, the most outstanding player was Ann Sykes and Laura Malseed was the most valuable.

This year's softball team ended their season, 2-5: Cindy Brown was chosen most outstanding player and most valuable was Peggy O'Donnell.

Betty Jo Lady was chosen as outstanding player of the volleyball team; from the swimmers Jodie Perbix was most outstanding. Vicki Adams was selected the number one tennis player of 1971, and Cathy Carson received a similar honor for basketball.

In the final poll Betty Jo Lady was named as the girls' Athlete-of-the-Year.

# Finest Year Ever in RH Sports

## FOOTBALL

The 22-20 Homecoming victory over Culver City gave RH its third straight Sky League title, and the Titans closed the regular season with an 8-1 record. In the CIF playoffs, RH beat Excelsior, 24-8 before losing to Edison 41-8.

Guard Doug Posey, tackles Mike Witous and Rick Lessel, and Mark Ensminger and half-back Dave Kraker (nominee for athlete of the year) were named to the All-Sky League team. Posey and Lessel were named to the all-CIF AAA team.

## WATER POLO

Never sloughing off during their splashy season, the Titan water polo teams placed well in the Sky League with the Cees in a tie for first place, the Bees in second place and the Varsity ending in fourth place.

Team awards went to Mike Jones for Most Improved Player, Dave Budde for Best Defensive Player and Ken Austin for Best Offensive Player as well as being an Athlete-of-the-Year nominee. Named to the All-Sky League teams were Austin and Larry Willis.

## CROSS COUNTRY

The Varsity Cross Country team finished a disappointing fifth in Sky League this year, while the JV's also finished fifth and the frosh-soph topped all

three teams with a close second behind PV.

Led by Athlete-of-the-Year nominee Jerry Johnson, RH's hill-climbers compiled a 3-4 record, finishing just under Torrance. Other team leaders were Jeff Gardner, Mike Griesmer and John Pinna.

## BASKETBALL

Playing, as Coach Dan Clayton termed it, "too many" close games, the Titan basketball team took third in the rough Sky League and went to CIF. Some of the more memorable games were the 53-51 win over top-ranked Morningside and the 44-42 PV game won on Steve Gilburne's 20-footer with one second left.

In CIF, RH nipped Troy in overtime, 67-61 before losing to Servite 75-65.

Forward John Schaus (nominee for Athlete-of-the-Year) and guard Steve Nakamoto were named to the All-Sky League team.

## WRESTLING

Not only did the 13 RH wrestlers tie for first place in the Sky League but nine of the Titans qualified to compete in the CIF sectionals. Jed Louvier went past the preliminaries to place fourth in CIF.

In the Sky League standings Alan Waters and George Marro placed first; the Titans who

earned a second place position were Jed Louvier, Fred Gedicks, Eric Peterson and Mark Ensminger. Ensminger was chosen as a nominee for Athlete-of-the-Year.

## BASEBALL

The Titan baseball team, playing under first-year coach Gary Poe, finished third in Sky League. The highlight of the regular season was the four-run rally in the bottom of the seventh to nip PV, 4-3. In CIF, RH nipped Whittier, 1-0, in nine innings and lost a 3-2 decision to Anaheim.

Center fielder Steve Abdo, pitcher Dennis Emerson, catcher Phil LaFollette and second baseman Dennis Ullmann (nominee for Athlete-of-the-Year award) were named to the All-Sky League team.

## GOLF

The Titan golf team finished third in the nine-team Sky League. Some of the outstanding golfers were Dennis Louie, Jeff Louie, Rick Green (nominee for Athlete-of-the-Year) and Steve Josephson. Green and Dennis Louie are among those who will represent Sky League in the CIF championships in June.

## SWIMMING

Near the top of Sky League waters, Coach Frank Akins' Varsity squad finished in third place

with both the Bee and Cee swimmers taking their respective number two spots.

Claiming two Varsity Sky League aces, the RH aquamen's Dave Budde took 13th place in the 100-yard breaststroke and freshman Curt Wilson placed fourth with his diving prowess in the CIF championships.

The versatile Tim Murphy was nominated for Athlete-of-the-Year, after setting five new school records in freestyle and breaststroke events.

## TENNIS

The Titan tennis team won the two of three matches against Palos Verdes and took second behind Beverly Hills, earning itself a CIF playoff spot. In the playoffs, RH lost to CIF runner-up Santa Monica 19-9.

Chris Beckett (nominee for Athlete-of-the-Year) Doug Austin and Roger Solow were the outstanding players for Coach John Boos' netters.

## TRACK

Track, although suffering crucial league setbacks, had some enjoyable moments at Rolling Hills in the 1970-71 campaign. In the CIF quarter-finals, six school records were broken.

John Pinna, the sport's nominee for Athlete-of-the-Year, recorded a 20.0 in the 180 low hurdles. Ed Phippen got the only other Varsity record with 6-4-1/4 in the high jump. In the Cee division, Bob Gurrell set two records (180 dash and 120 low hurdles) and Larry Savity broke the 100 dash record with a 10.5 clocking.
